

### **PROF. DR. ZİYA AKINCI**

Professor Akinci is President of ISTAC Board of Arbitration. He is also a member of the ICC and has been a member of the ICC Court of Arbitration since 2006. He is also a fellow of Chartered Arbitration Institute.

He has served as arbitrator, party-counsel, co-counsel or expert on projects and disputes related to highways, railways, metros, commercial and residential buildings, underground sewerage systems, infrastructure development, water distribution facilities, shopping malls, natural gas storage, and SCADA systems, both here in Turkey as well as countries in the region, including countries in Europe, the Middle East and the C.I.S. countries.

As arbitrator, party-counsel and expert, Professor Akinci has acted under institutional arbitration rules including, among others, those of UNCITRAL, ICC, ICSID, LCIA, SCC, ITO, DIAC and the Tehran Regional Arbitration Centre.

Professor Akinci is a member of the International Private Law Department in Galatasatay University Faculty of Law. He teaches international arbitration, international investment and private international law. He is the author of numerous books and publications including International Arbitration and International Construction Contracts.
